

Here's your chance to LIVE UNITED® by helping us...

# Stuff the Bus!

Meet pro athletes, including San Diego Chargers  
Steve Gregory (#28) and Eric Weddle (#32)!

**What:** United Way's 3rd Annual "Stuff the Bus!" is a sports equipment drive with the goal of collecting 10,000 pieces of **NEW EQUIPMENT** for children in need, many of them living in foster care. United Way and Promises2Kids have partnered to ask San Diegans for help stuffing a big yellow school bus full of new equipment for these worthy kids.

**Why:** New sports equipment is often out of reach for children living in foster care. Their own football, baseball glove, or sturdy pair of sneakers is the ticket to having the same health and fitness experiences as other kids. Participating in sports also teaches them the social and team-building skills so critical to future success.

**When:** Saturday, May 1, 2010, from 10 am to 6 pm.

**Where:** Hold a mini-collection drive in your neighborhood, school, or workplace! Donate your items during the live drive at Westfield Mission Valley's Sport Chalet parking lot – 1640 Camino Del Rio North, San Diego, CA 92108.
