

The San Diego Junior Ambassadors: Making a Difference

Press Release
San Diego Coalition
of Churches &
Communities

The Junior Ambassador's Pajama Drive will benefit many children living at the Polinsky Children's Center in San Diego CA. During the year, the center serves about 3,000 children

Child Abuse is the 3rd leading cause of death among children under the age of 3. 78% of abused children are between the age of zero and 4 years old. The Polinsky Children's Center is the County's only emergency shelter for children and now a national model for the protection and care of abused and neglected children. The SDCCC Junior Ambassador's Pajama Drive will help clothe many of the children entering and living at the Polinsky Children's Center. You can help by donating New Pajamas for individuals that are newborn-18 years old.

Each Junior Ambassador has a story to tell about their experiences while participating in the Pajama Drive. To date, the Junior Ambassadors have successfully collected over 250 pajamas and raised over 1,500.00. You can help them

reach their goal of collecting 3,000 New Pajamas. To locate a donation center, contact Madison Woods (619) 781-7812 or Janelle Spikes (619) 822-0953.

The Pajama Drive ends on November 18, 2011—don't delay!

The Junior Ambassadors are excited to join Promises2Kids and their effort to make a difference in the lives of the children entering and living at the Polinsky Center. Your donation today will help keep a child warm tonight.

Thank you for your support!

The San Diego Junior Ambassadors is a "youth-helping-youth" program. One of the main auxiliary developments of the San Diego Co-

alition of Churches and Communities (SDCCC) has been the formation of the Junior Ambassadors. In September 2010, twenty-four youth ranging in ages of nine to twenty-nine years, were selected and pledged to work directly with SDCCC to achieve its goal of providing service to the community. Currently, the Junior Ambassadors are committed to the needs of the children living at the A.B. and Jessie Polinsky Children's Center. These young Junior Ambassadors, continue to make a difference in many communities and around the world.
