

Interested in VOLUNTEERING for Camp Connect San Diego?

Camp Connect San Diego is a program sponsored by Promises2Kids in partnership with the County of San Diego. Our program is looking for volunteers to assist at events designed to reunite siblings who are currently separated in the Foster Care System. If you love helping children, this is the venue for you! Below is a list of our upcoming events:

**Camp Connect San Diego – A Day of Golf with Pro Kids
March 2012**

**Camp Connect San Diego – Bowl the Day Away
June 2012**

**Camp Connect San Diego – Camp Whispering Winds Retreat (Julian)

*this is a 4day/3 night camp***

**Camp Connect San Diego – Day at Mission Bay
Sunday, September 2012

**Camp Connect San Diego – Holiday Event

We **need** volunteers willing to donate their time assisting camp leaders and social workers with the supervision of foster youth during these events. Volunteers will aid in supervising group activities which are designed to extend memories and increase bonding between siblings. This is a hands-on event where volunteers will work directly with the children. We promise it will be an experience you won't soon forget!
